EDUCATION

GLA University

BTech. in Computer Science Engineering

Mathura, India

Sept. 2021 – May 2025

St Dominic's Sr Sec School

Graduation

Mathura, India

2007 – 2021

TRAINING

Competitive Programming Training

June 2023 – July 2023

Coding Blocks

- Completed training in algorithms, data structures, and problem-solving techniques for competitive programming
- Acquired in-depth knowledge of fundamental algorithms and data structures.
- Learned advanced programming techniques and strategies for competitive coding.

PROJECTS

Chat App using MERN Stack | *MongoDB, Express.js, React.js, Node.js, Socket.io*

- Designed and implemented the frontend for a chat application using React.js.
- Implemented real-time messaging features using Socket.IO for WebSocket communication.
- Integrated user authentication using JWT (JSON Web Tokens) for secure login and registration.
- Developed backend services using Node.js and Express.js to handle API requests.
- Utilized MongoDB with Mongoose for storing chat messages and user data.

E-commerce Website | *Node.js, Mongoose, HTML, CSS, JavaScript, Express*

- Developed a full-stack e-commerce platform using Node.js, Express.js, and MongoDB.
- Implemented essential functionalities including user authentication, cart management, and wishlist features.
- Ensured data integrity and security by integrating authentication middleware and encryption techniques.
- Designed responsive front-end interfaces using HTML5, CSS3, and JavaScript.

Chat App using MERN Stack | *MongoDB, Express.js, React.js, Node.js, Socket.io*

- Designed and implemented the frontend for a food ordering website.
- Created a visually appealing and user-friendly interface for easy navigation.
- Implemented interactive features for each section, such as displaying the menu, providing information about services, and offering contact details.

TECHNICAL SKILLS

Programming Languages: Java, Python, C

Frontend: HTML, CSS, Javascript, React.js

Developer Tools: Google Colab, VS Code, Eclipse, Cocalc, Git

DBMS: MySQL, MongoDB

Frameworks: Node.js, Express.js

PROFESSIONAL SKILLS

Effective Analytical Skills

Communication Skills

Ability to identify and solve problems

Rapid Learner and Adaptable
